

Good news! You can start the year off right with our January injection special, good for two weeks only. Snag yourself a ***\$200 savings with two areas of neuromodulator and one vial of filler for \$999.*** And you can *add on a Level two facial with IPL or RF collagen stimulation for \$399.*

**We do need to complete this appointment the first two weeks of January before we take our office break from Jan. 16-31st, so we encourage you to call or text today 231.347.7395 (click and hold the button below) to secure your appointment in the next two weeks.**

It's time. After a 2020 of ups, downs, beauty, and more busyness we could have ever imagined, we're taking a break.

Both our Traverse City and Petoskey offices will be closed the last two weeks of January for vacations, staycations, and time for our entire staff to refresh renew our bodies, minds, and spirits. We're excited to start the new year off right with you!
